Band

It was a "touch and go" year for the students participating in band. Though it seemed at the beginning of the year that there wasn't going to be much of a program, it turned out to be quite successful. The Concert, Stage and Symphonic bands performed concerts in the auditorium for the public, and also did assemblies for the student body. The Tecumseh Shooting Stars marched in the Christmas parade and was enjoyed by all. The liveliness of the Pep Band are a major part in boosting the spirits of the fans and Boy's Varsity Basketball Squad at the home games. Band students also participated in Solo and Ensemble, Band Festivals, and in the Lenawee All-County Band.

Although it was a challenging year, the band department did their best to make this a year to remember.

Foreign Exchange Students

In our little town of Tecumseh, we seldom get a chance to meet many new people. In our economy, who can afford to travel or visit places? Bringing different cultures to our city can be accomplished, with a group called Foreign Exchange students. For one year these young students become part of THS as well as our community. All seventeen years old with charming personalities, they adjusted extremely well in our country. Coming from Holland was Johannes Brinksma. Johannes claims that school is much different here, compared to his in Holland. He enjoyed reading, lifting weights, listening to music. Besides speaking fluent English he speaks four other languages. While in Tecumseh, Johannes lives with the Michael Honcharenko family. Coming from Denmark we welcomed Henrik Grandjean. He explains that responsibilities are more emphasized in Denmark as well as most European countries. There is little time for athletics and it is not involved with school whatsoever. In his spare time Henrik jogs and collect stamps. He resides with the Anderson family. Coming also from Denmark was Henrik Peterson. School is much easier here, and they are a lot stricter in Denmark says Henrik. Henrik enjoys playing the piano, which he's been doing for ten years. Presently Henrik is staying with Mr. and Mrs. Landrum of Tecumseh. One of two girls of the group is Madlaine Johansson, who came from Sweden. In Sweden she did Show dancing, another form of our Jazz dancing. Madlaine is very involved in our school and community activities and even received a part in a community play. Her hobbies include drawing, dancing and listening to music. She lives with the Moore family. Philip Schulze Buschhoff comes from Northwest Germany. In his country he says his classes vary each day. They have no lunch hour and no lockers. Activities outside of school are soccer, deer hunting, and tennis. Philip lived with the Roback family. Coming in early February from Finland, was Sirkku Hietala. Her school she explained starts at 8:30, but ends at several different times depending upon how many classes you attend that day. Her hobbies include, ice skating, dancing, and other theatrical activities. She lives with the Norman family. In getting to know these students we experienced a different way of life than our own. We enjoyed having these students, thanks for sharing your culture and making the rest of the world seem not so far away.

The Prom

It was a warm, breezy night for all who attended the 1983 Junior-Senior Prom. Perfect was the only word that can describe the atmosphere on such an elegant occasion. The theme this year was "Just you and I" and being held at Sauk Valley again this year fit it beautifully. The band was Skitz and was enjoyed by all young and old. King and Queen this year was Charlie Lytle and Jenni Bauman, who entertained all with a solo dance to this years theme song "Just You and I." The Juniors did a marvelous job at preparing just the right setting for a special night in all these couples lives.

Industrial Art Show

The 22nd annual Student Exhibition was presented on May 5th and 6th, 1983. The 1982-83 Tecumseh High School Industrial, Art and Home Economics departments, again took the opportunity to recognize and encourage the excellent craftsmanship of students enrolled in their programs this year. All of the projects displayed in this exhibition were under the fine supervision of the instructor and were required to complete the course of study.
The main objective of Industrial Education is to present the student an understanding of industry. The projects displayed the industrial divisions of material removal, material forming, casting, assembly and finishing, and the use of many different types of materials.

Sponge Week

Sponge Week took place April 18 thru 22nd. It got off to an exceptional start as members of the Army, Navy, Air Force, and Marines marched through the halls of THS. There were less participants for New Wave Day, but this didn't dampen the spirits of those who did participate. Tootsie Day presented an entertaining cast of impersonators which created a humerous change of pace. Nearing the end of the week, Imitation Day brought about an unusual air of excitement as the costumes ranged from mild to dramatic. Beach Day was the final and most popular day of Sponge Week.

The 1982-83 annual Awards Night was held in the Tecumseh Civic Auditorium on May 24th, 1983. Many students were honored in different departments from the school curriculum. Each student received a certificate of recognition for their scholastic achievements. The stage band provided the musical entertainment and the host for the evening was Bill Raeburn. Much gratitude is presented to the teachers who put forth donations for the use of the auditorium for the event.

Student Jobs

"Sometimes its hard with school and a job too, but I manage," Brian Napieralski commented, "The pay is good and I like the people there." 1983 found more THS students working than usual. Part of the reason for this may have been the poor economic situation of our community. It may also have been that some of our sports and activities were cancelled, leaving students extra time. Students were found working in various places such as McDonalds, gas stations, the new shopping mall, and there were even some Avon Ladies!

Oktoberfest

Due to the prevailing financial difficulties in the school system, Homecoming was not permitted this year. Taking Homecoming's place, was the 1982 Oktoberfest held on Friday, October 15th. "Kicking Off" Oktoberfest activities, was the pep rally. The class of 1985 won the tug-of-war. The senior class won the over-all competition. After the pep rally, the 1982 football squad competed in a game of flag football, the white team was defeated by the orange team. Our Oktoberfest Queen was Jenni Bauman, who was crowned at half-time. Her court consisted of Sherrie Svestka and Tina Maddox. Junior class representative was Lori Harper, sophomore representative was Renee Solarski and freshman representative was Lisa Nelson. Following the game, the Oktoberfest dance was held in the high school gym. The featured band was Silent Trial.

History of The Class of 1983

The class of 1983 entered Tecumseh High School in the Fall of 1979, 267 Freshmen each excited and ambitious to succeed. With our class advisor, Harry Sabourin, and our officers: President — Scott Winkler, V. President — Mark Harter, Secretary — Tracy Walters, and Treasurer — Betsy Ross, our year was off to a great start. We placed third with our "Big Yella For Victory" float at Homecoming, and our Queen's Court representative was Tina Maddox. A class hayride at Issie Lopez's house became a tradition to be kept through the years. In late Fall, we lost a friend. Death took our own Matt Jones, and somehow we no longer felt so young. It was a year for growing up.

Tenth grade began with 233 students. More confident as Sophomores, we knew our school and we were an active part of it. We elected as officers: President — Donna Mumme, V. President — Tracy Walters, Secretary — Carrie Hite, and Treasurer — Betsy Ross. At homecoming our float took second place with Tigger's "Pounce 'Em" and Sherrie Svestka sat in the Queen's Court. In the Winter Carnival, we sponsored the Spook House. Soon we threw ourselves full swing into our first fund-raising event — cup sales. In Spring, tragedy struck again, and we lost another friend in Jim Kerr. As the year progressed, we grew closer as a class, and June soon arrived.

When our Junior year began with 230 students, we realized that our stay was half over and the excitement grew! Officers were: President — Mike Muncie, V. President — John Walper, Secretary — Jenni Bauman, and Treasurer Sue Every. It was no surpirse as we took First Place overall at Homecoming with Kermit's "Over Every Rainbow is a Victory". Our Queen's Court representative was Tracy Walters. We next participated in magazine sales to make money for our Senior year. Once again, the Spook house was a great success at the Winter Carnival. Our greatest achievement that year was our Junior/Senior Prom, "A Midsummer Night's Dream". Held in May at Suak Valley, it was well worth the many hours of work spent in preparation. As the year drew to an end, we realized that this was it — now we were Seniors! Our time had arrived!

Our Senior year began in gloom because of defeated millage vote that was to provide operating funds for all extracurricular activities. As a result of the defeat, we lost our close friend and advisor, Harry, to staff cutbacks. Mr. Gross stepped in to see us through. Because of our caring community and a group of parents who formed "Show The Kids We Care", our Senior year was saved. We elected as officers: President — Mike Muncie, V. President — Dan Rutherford, Secretary — Jodie Schmidt, and Treasurer — Sue Every. Because we had no football team, there was no Homecoming — so we made an "Oktoberfest"! Indian players vs. Indian players . . . how could our team lose?!! Our Oktoberfest Queen was Jenni Bauman; Tina Maddox and Sherri Svestka made up the Seniors in the Court. Class parties and Senior activities filled the time until Spring. Graduation announcements arrived and plans for Class Nite and Commencement were made. The days flew by and almost without warning, our Senior year was over. Graduation was June 5th, and the time came to face the outside world. Our days together will be cherished forever as we reflect upon the time that we spent growing together. Never has a class been so close. We will live forever — our Class of '83!

Class Night

The class of 1983 presented Class Night this year with the theme "ComputerMania". This was their chance to get together and recall all the fun they've had in high school and they did a super job with the event. It was held in the THS gym. The emcees this year were Lisa Munger, Vicki Nelson, Mike Muncie, and Dan Rutherford. The rowdy senior class cheered their classmates throughout the many creative acts. There were skits presented from Pac-Man fever to Senioritis. Then John Walper, President of the class of '83 "handed down" the class key to J.R. Smith, President of the class of '84. As the show came to an end Shirley Eberle sang the class song "Yesterday" while accompanied by Kevin Bordine and John Bisceglia. John also composed a song "Freedom's Choice," and this was also performed at Class Night. After that exciting performance, everyone went to Larry Sanfords house for their last big party as seniors of Tecumseh High School. Special thanks must be extended to Mrs. Kinnard, coordinator of Class Night.

1. Thanks to the many graduates, class night was another success.
2. The 1983 senior class anxiously awaits the revealing of the class awards.
3. John Bisceglia and Kevin Bordine perform a song, which was written by John Bisceglia.
4. Many seniors performed in the skit "Senioritis."

Editor's Note

"A Time For Changes," The theme of our 1983 Anath was very appropriate for this school year. With a defeated millage vote in June and another in August, our yearbook staff was very uncertain of the contents of the book. Nevertheless, the staff tried to capture the moments and events as they were reinstated, virtually one at a time. Unfortunately, our sports program was reduced significantly.

We have worked together all year to make this book a good representation of 1982-83.

I'd like to thank our advisor, Mrs. Stevens, who has put up with our complaints and procrastination, and Doug Bynum, our representative from Hunter Publishing. Show The Kids We Care also deserves many thanks for making this year's school activities possible.

I think a great deal of credit and thanks goes to the students of Tecumseh High School this year. Without their optimistic outlooks and co-operation, our book would not have been possible.

As for all of the staff members, we've made a great team! You're all terrific. We hope everyone enjoys this book!
